MEDICATION AND DISPENSING INFORMATION

Drug Name: _____ Drug Strength: _____

Drug Formulation: _____ Dosing Frequency: _____

Quantity: _____ Day Supply: _____

Member Last Name: _____ Date of Birth (MM/DD/YYYY): _____

Route of Administration (select one):

☐ Oral/Sublingual

☐ Topical/Transdermal

☐ Intramuscular

☐ Intravenous

☐ Subcutaneous

☐ Other: _____

For physician-administered medication, will this provider be ordering and administering?

☐ Yes ☐ No

If **No**, list administering provider: _____

Select one of the following:

☐ New medication therapy

☐ Renewal of medication therapy previously covered by NYRx

☐ Same dose and frequency

Approximate date therapy initiated (MM/DD/YYYY): _____

☐ New strength or frequency

Prior dosage or frequency: _____

Approximate date therapy initiated (MM/DD/YYYY): _____

☐ Continuation of therapy from other/previous insurer

Prior dosage or frequency: _____

Approximate date therapy initiated (MM/DD/YYYY): _____

CLINICAL CRITERIA

1. What diagnosis is this being prescribed for?

Diagnosis #1: _____ ICD-10 Code: _____

Diagnosis #2: _____ ICD-10 Code: _____

2. Is the drug being used for an FDA-approved or official compendia (AHFS DI[®], DRUGDEX[®]) indication?

☐ Yes ☐ No

If **No**, provide supporting literature for off-label use:

Member Last Name: _____ Date of Birth (MM/DD/YYYY): _____

3. Does the drug require a dose titration of either multiple strengths and/or multiple doses per day?

☐ Yes ☐ No

If **Yes**, provide titration schedule: _____

4. If prescribing a non-preferred agent, are you willing to prescribe a preferred agent as shown on the [NYRx Preferred Drug List \(PDL\)](#)?

☐ Yes ☐ No

If **No**, what is the clinical rationale for the member being unable to use a preferred agent in the same drug class?

5. Has the member experienced treatment failure or an adverse reaction/allergy with a preferred drug within the therapeutic class for this condition?

☐ Yes ☐ No

If **Yes**, provide details of the treatment failure or adverse reaction:

Medication/Therapy #1

Drug Name and Dosage: _____

Approximate date therapy initiated (MM/DD/YYYY): _____

Approximate date therapy discontinued (MM/DD/YYYY): _____

Treatment Failure/Adverse Reaction/Allergy:

Medication/Therapy #2

Drug Name and Dosage: _____

Approximate date therapy initiated (MM/DD/YYYY): _____

Approximate date therapy discontinued (MM/DD/YYYY): _____

Treatment Failure/Adverse Reaction/Allergy:

6. Is there documented history of successful therapeutic control with a non-preferred drug, and is transition to a preferred drug medically contraindicated?

☐ Yes ☐ No

If **Yes**, explain:

Member Last Name: _____ Date of Birth (MM/DD/YYYY): _____

7. Are the relevant lab results, tests, and diagnostic studies that were performed to support the use of therapy attached?

☐ Yes ☐ No

Submission of this form confirms the information is accurate and true, and that the supporting documentation is available for review upon request of the New York State Department of Health or the Centers for Medicare & Medicaid Services. The submitter understands that any person who knowingly makes or causes to be made a false record to statement that is material to a Medicaid claim may be subject to civil penalties and treble damages under both the federal and New York State False Claims Acts.

Fax the completed form to the NYRx Clinical Call Center at 1-800-268-2990.

To contact the NYRx Clinical Call Center, call 1-877-309-9493.
